Why long term disability insurance makes sense

Protect your paycheck

Long term disability insurance can replace a portion of your income should you become unable to work and earn a paycheck for an extended period of time due to an illness or injury. This plan can help protect you and your family from the impact of your lost income by replacing a portion of it during an extended disability.

A disability can become a reality. Be prepared if it does.

The risk of suffering a disabling illness or injury is greater than you may think. Just over 1 in 4 of today's 20 year olds will likely become disabled before reaching age 67.¹

While disabilities are typically unexpected, they don't have to threaten your financial security. Protect your income and enroll in MetLife Long Term Disability Insurance today.

Your coverage.

Long term disability coverage from MetLife may pay between 40–70% of your pre-disability income for an extended disability lasting one year or more. You receive benefits for as long as you remain disabled and unable to work, until retirement age. That means you have a steady income stream to help pay your bills during your disability.

You can also earn financial incentives by participating in MetLife approved rehabilitation programs. These programs are designed to help you recover financially and functionally.

What's more, given its strict definitions of what qualifies as a disability, you may not be able to count on federal help.

Chances are you may not be able to count on Social Security Disability Insurance (SSDI) to help you. Approximately 67% of initial SSDI claims are actually denied.² Social Security benefits are not available if you are expected to be out of work for less than a year.¹

Your name is on the check.

Monthly payments are made directly to you. You decide how to spend the money — for medical expenses not covered by your medical plan, like copays, deductibles, out-of-network care, or for non-medical needs like household bills, childcare, or home modifications. If you have a spouse/domestic partner and/or children, most likely they rely on you to help keep the household running. But with 58% of employees surveyed being very concerned about the ability to pay bills during a sudden income loss,³ you need to make sure your family is financially prepared to handle essential living expenses.

If you are single, and don't prepare ahead to cover your expenses, you may need to use your savings, sell your property, or borrow money from friends or family to meet your ongoing financial obligations while you recover.

Premiums will be automatically deducted from your paycheck making this coverage more convenient for you.

Now that you know how long term disability insurance can help protect your financial security, take a few minutes to learn more and apply today!

What is Long Term Disability insurance?

Long Term Disability (LTD) insurance helps replace a portion of your income for an extended period of time.

Eligibility Requirements

Long Term Disability:

All active full-time employees working at least 30 hours per week are eligible to participate.

How is “Disability” defined under the Plan?

Generally, you are considered disabled and eligible for long term benefits if, due to sickness, pregnancy or accidental injury, you are receiving appropriate care and treatment and complying with the requirements of the treatment and you are unable to earn more than 80% of your predisability earnings at your own occupation for any employer in your local economy.

Following the Own Occupation period, you are considered disabled if, due to sickness, pregnancy or accidental injury, you are receiving appropriate care and treatment and complying with the requirements of treatment and you are unable to earn 80% of your predisability earnings at any gainful occupation for which you are reasonably qualified taking into account your training, education and experience.

For a complete description of this and other requirements that must be met, refer to the Certificate of Insurance provided by your Employer or contact your MetLife benefits administrator with any questions.

What is the benefit amount?

Long Term Disability:

The Long Term Disability benefit replaces a portion of your predisability monthly earnings, less other income you may receive from other sources¹ during the same Disability (e.g., Social Security, Workers' Compensation, vacation pay etc.).

Core Benefit amount is 50% of your predisability monthly earnings, subject to the plan's maximum monthly benefit of \$8,000.

Buy Up Benefit amount is 60% of your predisability monthly earnings, subject to the plan's maximum monthly benefit of \$12,000.

What is the maximum monthly benefit?

The amount of the Long Term Disability benefit may not exceed the maximum monthly benefit established under the plan, regardless of your annual salary amount. The maximum under this plan is \$8,000 for the Core LTD Plan and \$12,000 for the Buy Up LTD Plan.

When do benefits begin and how long do they continue?

Long Term Disability:

Benefits begin after the end of the elimination period. The elimination period begins on the day you become disabled and is the length of time you must wait while being disabled before you are eligible to receive a benefit. Your elimination period for Long Term Disability is 180 days or the maximum of your STD benefit.

Your plan's maximum benefit period and any specific limitations are described in the Certificate of Insurance provided by your Employer.

Answers to Some Important Questions...

Q. Can I still receive benefits if I return to work part time?

A. Yes. As long as you are disabled and meet the terms of your Disability plan, you may qualify for adjusted Disability benefits.

Your plan offers financial and Rehabilitation incentives designed to help you to return to work when appropriate, even on a part-time basis when you participate in an approved Rehabilitation Program.

While disabled, you may receive up to 100% of your predisability earnings when combining benefits, Rehabilitation Incentives, other income sources such as Social Security Disability Benefits and state disability benefits, and part-time earnings.

With the Rehabilitation Incentive you can get a 10% increase in your monthly benefit.

The Family Care Incentive provides reimbursement up to \$400 per month for eligible expenses, such as child care, during the first 24 months of Disability.

You may be eligible for the Moving Expense Incentive if you incur expenses in order to move to a new residence recommended as part of the Rehabilitation Program. Expenses must be approved in advance.

Q. Are there any exclusions for pre-existing conditions?

A. Yes. For the first 12 months your plan may not cover a sickness or accidental injury that arose in the months prior to your participation in the plan. Thereafter, provided you remain disabled, the sickness or accidental injury may be covered. A complete description of the pre-existing condition exclusion is included in the Certificate of Insurance provided by your Employer or contacts your MetLife benefits administrator with any questions.

Q. Are there any exclusions to my coverage?

A. Yes. Your plan does not cover any Disability which results from or is caused or contributed to by:

- War, whether declared or undeclared, or act of war, insurrection, rebellion or terrorist act;
- Active participation in a riot;
- Intentionally self-inflicted injury or attempted suicide;
- Commission of or attempt to commit a felony.

Q. Are there any limitations to my coverage?

A. For Long Term Disability, limited benefits apply for specific conditions:
[If you are disabled due to alcohol, drug or substance abuse or addiction, we will limit your disability benefits to a lifetime maximum of Disability for 24 months. During Your Disability, we require you to participate in an alcohol, drug or substance abuse or addiction recovery program recommended by a physician.

Benefits will end at the earliest of

- The date you receive 24 months of disability benefit payments;
- The date you cease or refuse to participate in the recovery program referred above; or
- The date you complete such recovery program.

If you are disabled due to mental or nervous disorders or diseases AND/OR neuromuscular, musculoskeletal or soft tissue disorder AND/OR chronic fatigue syndrome and related conditions AND/OR self-reported conditions, we will limit your Disability benefits to a lifetime maximum equal to the lesser of:

- 24 months; or
- The Maximum Benefit Period.

The "Plan Benefits" provides only a brief overview of the LTD plan. A more complete description of the benefits provisions, conditions, limitations, and exclusions will be included in the Certificate of Insurance/Summary Plan Description. If any discrepancies exist between this information and the legal plan documents, the legal plan documents will govern.

Long Term Disability ("LTD") coverage is provided under a group insurance policy (Form GPNP99) issued to your employer by MetLife. This LTD coverage terminates when your employment ceases, when you cease to be an eligible employee, when your LTD contributions cease (if applicable) or upon termination of the group contract by your employer. Like most group insurance policies, MetLife's group policies contain certain exclusions, elimination periods, reductions, limitations and terms for keeping them in force. State variations may apply.

* Changes have been made to your Plan as of the Amendment Effective Date listed above. Please refer to your Certificate of Insurance/Certificate Rider for more details or contact your benefits administrator with any questions.

1 Under certain circumstances, MetLife may estimate the amount of income you may receive from other sources.
